## POORHOLE LANE, BROADSTAIRS

Poorhole Lane will be L&G's first venture into Kent. Datum Groundworks are delighted to be involved in the development of 150 new modular housing units.

The contract requirements are for strip footings, foundations, drainage, road and footpath construction including 5278 works to KCC adoptable standards.

**OUTCOME:** Delivery of 150 modular homes by Oct 2022.

## HAMMILL PARK WOODNESBOROUGH.

Remediation of the former Hammill Brickworks site and preparing it for 36 self-build plots and conversion of the existing engine sheds into residential units.

Infrastructure works including 278 works in accordance with the KCC highways agencies agreement. Drainage strategy in line with the environmental agencies requirements, road way construction, site drainage, treatment plants, deep bore soakways, foundations, sub structures, block and beam, drainage, external works.

**OUTCOME:** Infrastructure for 36 Houses and Conversion of Engine Sheds into Residential Units.

## HERNE BAY GOLF CLUB, HERNE BAY

Datum Groundworks were awarded various works in relation to the regeneration of the former Herne Bay Golf Club by Quinn Estates. The extensive groundworks included construction of sports pitches, bridges, car parks, path ways and foundations and drainage for the new pavilion club house.

**OUTCOME:** New Herne bay golf club building and surrounding grounds.

## SOME KIND WORDS FROM OUR CUSTOMERS

The standard of site management and workmanship was excellent – along with health & safety, site tidiness and general cooperation. Datum will always go 'above and beyond' to overcome any issues on site – and the whole team offer a refreshing problem solving 'can do' approach.

**MANAGING DIRECTOR,**  
**BLACKTHORN HOMES LIMITED**

Datum offer the full range of services we need and have always proved professional, communicating well and offering good, impartial advice. We rely on their expertise and their willingness to accommodate our designs where practically possible. I've never had any complaints about their quality of work, approach or demeanour on site.

**PROJECT ENGINEER,**  
**FUJIFILM**

By Sitting with us and understanding our requirements, Mark and the Datum team were able to develop a plan of what good looks like, to the right quality and for the right price. Because of their track record on delivery we have been happy to extend our working relationship to projects rolling out in the future.

**CHIEF EXECUTIVE OFFICER,**  
**DEVELOPMENT HOUSE LIMITED**

During the first phase of the works Datum has shown good management, a flexible approach and an attention to detail in line with our expectations. I am confident our working relationship will continue to flourish through to handover and future contracts.

**PROJECT MANAGER,**  
**GUILDMORE**

DATUM have been refreshing to work with on our Hospital Expansion Project in Ashford, i found the assigned Contracts Manager knowledgeable and very proactive in overcoming build challenges. Health and safety always being at the forefront of any task required, all datum operatives compliant with site rules and surrounding environment. I look forward to working with Datum Groundworks in the future.
